Infusing Knowledge, Building Virtue, Strengthening the Faith

Greetings St. John's Parents!

I hope you were able to set aside some quiet time during the Christmas season to reflect on the many gifts God has given you and enjoy them to the fullest. Often times, we get caught up in the hustle and bustle of things and don't take time for ourselves.

Please be sure to look all the way through the newsletter for upcoming events and special information.

I look forward to a new year filled with many blessings with each and everyone of our precious students. May this new year be the best ever!

Happy New Year,

Marcy Kee

St. John's Principal

From the Diocese

At the annual fall assembly, the U.S. Bishops approved a formalized statement, “Create in Me a Clean Heart: A Pastoral Response to Pornography”. The statement’s main audiences are Catholic leaders and parents, as well as anyone in a position to help protect children from pornography. In light of this new statement and with the rise of technology and the Internet, pornography has changed dramatically. As the largest protector to the Catholic Church, we understand the need for education and training for our members related to these important topics.

A [letter to parents of our Catholic Children](#) & a [flyer with more information](#) were sent to pastors and principals to be distributed to our families. To learn more about our Diocesan's approach visit the [Office of Safety & Security's webpage](#).
